## HO CHI MINH CITY SOCIETY OF PLASTIC & AESTHETIC SURGERY

The 7<sup>th</sup> Annual International Scientific Congress

FACIAL PLASTIC SURGERY – BREAST AUGMENTATION & BODY CONTOURING

HO CHI MINH CITY, VIETNAM / DECEMBER 3-4, 2011

### Welcome Message

Dear colleagues,

On behalf of the Ho Chi Minh City Society of Plastic & Aesthetic Surgery (HSPAS), I welcome you to the 7<sup>th</sup> Annual International Scientific Congress on FACIAL PLASTIC SURGERY – BREAST AUGMENTATION & BODY CONTOURING to be held at Sai Gon Exhibition & Convention Center (SECC) in Ho Chi Minh City, Vietnam, on December 3&4, 2011.

The International Congress of Plastic & Aesthetic Surgery brings together from around the world specialists in a large range of cosmetic fields, as well as surgeons, dermatologists and commercial users. The dual aims are to promote information exchange and linkages between specialists from different geographic areas, and to foster interchange between those with different scientific emphases in studying plastic & aesthetic surgery field.

The Congress will provide you with the extensive, comprehensive and educational event regarding techniques, trends and styles of Asia Facial Plastic Surgery, Rhinoplasty, Breast Augmentation, Liposuction Techniques, Medical and Surgical Facial Rejuvenation, Otoplasty, Implants, Fillers, Lasers, Fat Grafting, Non Ablative Resurfacing...

Our goal as an organizing committee has been to bring the best of the science called aesthetics together in an environment where everyone can benefit. We hope you will appreciate our program of plenary and specialist symposia, live demonstrations, all held in what I hope you will agree are wonderful venues, within the beautiful Ho Chi Minh City and the splendid country of Vietnam. We are sure you will also appreciate the friendly locals and support staff, who will assist wherever they can. Please do not hesitate to ask.

Any congress of this size cannot proceed without a dedicated team behind the scenes, largely invisible, but without whom things could not function as they should.

Our sponsors are also integral to the success of the congress, and they deserve the support of all congress delegates.

Ho Chi Minh City is a fantastic setting for this congress. The attendee who is fortunate enough to make Ho Chi Minh City one of his destinations will become enamored of its beauty, arts, and traditions.

Please consider planning to join your colleagues and friends in Ho Chi Minh City, Vietnam, on December 3&4, 2011.

I am looking forward to welcoming you in Ho Chi Minh City!

Sincerely,

**Associate Professor LE HANH, MD, PhD.**
